

Dear Residents:

The District Department of Transportation (DDOT) has rescheduled the next District of Columbia Takoma Transportation Study Public Meeting to Wednesday, March 19, 2003. The meeting will still be held at 6896 Laurel Avenue at the Washington Theological Union. The city of Takoma Park, Maryland's next scheduled meeting on this study is Thursday, March 20, 2003 and will be held at 7500 Maple Avenue, the Takoma Park, Maryland Municipal Building.

At each of these meetings, DDOT, the city of Takoma Park and our consultants will:

1. Provide residents with an update on progress made since our last meetings in December 2002
2. Provide residents with a summary of the *Takoma Transportation Study Existing Conditions Report* and the suggested transportation improvements found within that document
3. Provide an opportunity for residents to review and comment on the preliminary suggested transportation improvements resulting from the study.

Summaries of the *Takoma Transportation Study Existing Conditions Report*, along with the suggested improvements are currently available at your local libraries.

DDOT, the city of Takoma Park, and our consultants will take all of the accumulated information from the upcoming March 19th and 20th Public Meetings, generate a Draft Final Report and present the findings to your communities on Thursday, May 15, 2003 at Takoma Baptist Church, which is located at 635 Aspen Street, NW., and again on Thursday, May 22, 2003 at the Takoma Park, MD Municipal Building.
